Experience

Savour

09/24 - Present
Elche, Alicante
Full Time
Wordpress Developer

Delivered more than fifty WordPress sites, from lightweight corporate pages to complex listing platforms where users publish properties.

Led keyword research, competitive analysis and page-architecture planning for SEO-first projects; implemented on-page optimisation with Yoast SEO, and performance tuning with WP Rocket and Cloudflare, keeping mobile LCP under two seconds.

Managed every stage of the workflow myself — from initial client communication and scoping to final production deployment and post-launch monitoring.

• PHP • JS • WordPress • Shopify • n8n • MySQL • OVH • DNS

Geopol

08/23 - 04/24
Alicante
Full Time
